Take your favorite fragrances with you wherever you go with the Breeze hand held scented fan. Lightweight and portable, these fans help refresh and invigorate you indoors or out. Cool down and refresh yourself wherever and whenever you need to.

Now you can brand your name and market your product using logos and scent with the Breeze hand held fan. We can create custom fans for your customers so they remember your product everytime they cool down. Scent is one of the strongest triggers for memory so what better way to build brand loyalty!

ScentAndrea just makes good marketing scents!
